ESCAPE TO THE COUNTRY

One of the larger independent freehold tenures in the area, this 1.29HA (3.18 acre) property offers a quiet country retreat for all year round living, holiday destination or maybe a mine worker's home, being just 1.5kms from the Mt. Carbine Tungsten Project. Enjoy all the comforts of home with a 3 bedroom house complete with well equipped kitchen, family room, lounge and study. Relax with a cold drink in the unique 4m x 4m Bali hut overlooking the seasonal creek and fenced park-like surrounds that are kept green by 3 water sources – bore, well and rain water. Enjoy an evening BBQ in the covered outdoor area outside the kitchen. A 4 bay carport with extra skillion and lockable tool room, a garden shed, chook pen and fruit trees complete the country life-style. Just 500m to the local roadhouse with takeaways and a small selection of groceries, there is also a school bus service to Mt. Molloy State School. With plans for the mine to expand and employment preference being given to local community members, workers accommodation will be needed making this a perfect investment opportunity for the astute buyer. Furniture and white goods are included in the sale; all you need do is move in and unpack.
